The Willamette Heritage Center at The Mill, a unification between Mission Mill Museum and Marion County Historical Society, is a stroll through the history of the Willamette Valley. Its 5-acre campus is home to the 1841 Jason Lee house (arguably the oldest wooden framed house in Oregon), 1841 Willamette Mission Parsonage, 1847 John Boon home, 1858 Pleasant Grove Church and the 1896 Thomas Kay Woolen Mill, named an *American Treasure* by the National Park Service. Since its founding in 1964 as a private non-profit association, Mission Mill Museum has established a reputation as a leader in the preservation and interpretation of Oregon's history. The museum's histories are shared with visitors through daily and group tours, speakers, living history, children's programs, hands-on activities, special events, the museum store and rental facilities. For more information call 503-585-7012 or visit <http://www.missionmill.org>.

*The Willamette Heritage Center is a private not-for-profit 501(c)(3) organization. It is not managed by city, county, state or federal agencies.*
