See 0063.001.0064.001.075 for a positively identified image of Renska's "Specialty Shop" storefront display. Does not really match the layout of this photo - although that could be described away as to it being displayed in a different iteration of the shop (Renska tended to move alot). Added words "presumed to be" to catalog record. Date range based on the style of dress displayed. It is at best a guess. KJP 3/6/2020
